

NOTICE OF HERBICIDE APPLICATION

The Tuscola County Road Commission will be doing Herbicide Application on all County Primary Road Shoulders, approximately 3' wide, for control of grass and weeds. The applications are scheduled to start mid-June of 2024—depending on the weather. Methods of spray are by a truck mounted spray unit. Anyone wishing for more information on the spray mixture and/or locations to be sprayed please contact Jason Root, Superintendent, 989-673-2128 ext. 30108.
