FOR FURNISHING

PORTLAND CEMENT CONCRETE

Page 2 of 2

The Contractor proposes to furnish the Tuscola County Road Commission with their 2024 requirements of Portland Cement Concrete in accordance with the Michigan Department of Transportation 2012 Standard Specifications for Construction, Sections 702, 901, and 902. The mixes must have the minimum compressive strengths for the type of mixes bid.

1. MIXES: The Engineer may request a change of slump at the time the material is ordered or placed at no additional cost. The Engineer also reserves the right to verify the compressive strength of the mixes specified; if test results indicated lower strength than required per the specifications it will be sufficient reason for rejecting further use of the supplier’s concrete. If the Engineer requests additional Cement for a higher strength mix it will be paid for by the pound.

2. QUANTITIES: It is understood that 2024 total requirements cannot be guaranteed or estimated at this time.

3. LIABILITY: The Contractor shall at all times exercise extreme care and shall assume all liability for any damages resulting from his operations and shall hold the Tuscola County Road Commission harmless from any such claims or damages. The successful bidder must also furnish certificates or policies giving satisfactory evidence of insurance coverage. The contractor shall, prior to the start of work, file with the Tuscola County Road Commission a certificate that he carries Workmen’s Compensation Insurance. **The attached certificate of insurance is required for the successful bidder or bidders.**

4. BILLING: Statements received by the Tuscola County Road Commission must be accompanied by signed tickets indicating actual receipt of the concrete quantities billed.

5. BID PRICE: The quoted price is a firm bid for 2024.

NON-COMPLIANCE WITH PROJECT SPECIFICATION PROVISIONS

Any variation from the specifications of the project herein without written approval from the Tuscola County Road Commission and/or its authorized representative may result in, at the discretion of the Road Commission, the voiding and/or canceling of the acceptance of any bid and/or contract, resulting from this project.

**The Board reserves the right to accept or reject any or all proposals and to re-advertise or to accept the proposal, that in their opinion, is in the best interest of Tuscola County.**

TUSCOLA COUNTY ROAD COMMISSION  
TITLE IV COMPLIANCE  
APPENDIX A
